

Tinkerine Director Resignation

January 20, 2022 - Tinkerine™ Studios Ltd. (TSXV: TTD) ("Tinkerine" or the "Company") announces the resignation of Mr. Bob Longo from the Board of Directors effective January 20, 2022. Mr. Longo will remain as advisor to the company. Tinkerine thanks Bob for his insights and mentorship in advancing the Company's education focused approach to 3D printing.

"I have enjoyed working with the talented team at Tinkerine. I was impressed with their deep penetration into school systems in Western Canada and a rapid pivot to work with school partners to produce 3D printer generated face shields for the COVID health crisis. I am looking forward to advising and continuing my association as Tinkerine moves into the future." stated Mr. Longo.

About Tinkerine

Our mission is to provide a foundational understanding about Applied Design driven by 3D printing. Our ecosystem of 3D printing products and educational resources equips future generations with the innovative tools and products to stay ahead in a fast-paced, tech-driven world. Tinkerine enables the curious to convert creative ideas into the tangible and the unimaginable. All Tinkerine 3D printers and education services are designed and manufactured in Canada.
